EXPERIENCE

- I have complete my internship at codsoft as a web development intern
- At CodSoft, I was exposed to the latest industry practices, which significantly enhanced my understanding of web technologies. I had the chance to work with cutting-edge tools and frameworks, contributing to the development of responsive and user-friendly interfaces. This internship not only deepened my technical expertise but also provided valuable insights into the collaborative nature of professional software development.

SKILLS

Programming Languages: C++, Java, Python, MySql, DBMS, Html, CSS

PROJECTS / OPEN-SOURCE

Landing Page | Link   *Html, CSS, JavaScript*
- With this project I was aiming to solve this problem statement and impacted users with the final launch.
